vs.)	Case No. 4:03CV317 CDP

Respondents.)	

This matter is before me on petitioner's "Request for Reconsideration."

Petitioner asks that I reconsider my decision not to issue a certificate of appealability in regards to his petition for habeas corpus. In support of his motion, petitioner merely reiterates the standard for issuance of a certificate and states that he has made a sufficient showing to meet the standard. Petitioner makes no additional arguments to support his statement. Because petitioner presents no basis to change my decision, the motion will be denied. Accordingly,

IT IS HEREBY ORDERED that petitioner's motion for reconsideration
[#25] is denied.
